

RTW-266

Located on Lindell Boulevard at Kingshighway
opposite beautiful Forest Park. This park is famous for
it's Municipal Open Air Theatre, it's world famous zoo
and the Jefferson Memorial, which houses the priceless
Lindbergh Trophies.

We are certainly
having a grand
time here, and
regret that our
stay is so short.
Our shows are making
quite a hit with
the public. "Simile"
